College of Veterinary Medicine

While most students complete a Bachelor's degree in a science field, a Bachelor's degree is not required to be admitted to Iowa State's College of Veterinary Medicine

*Degree may be listed in more than one college *Qualifying majors may change based on the programs of study. Science Bound makes the final decision regarding which majors qualify for the scholarship. ** Student must work with SB staff to ensure acceptance. ***Students entering as Open Option must discuss courses with SB staff.*
